I remember Sister Thomas Charles very fondly. On my first
day of first grade, my mother thought we had a half day & didn't
pack me a lunch. Sister Thomas Charles discovered me
sitting on the porch of the old school waiting for the bus
at noon. She marched me over to the convent and made me
a peanut butter/jelly sandwich - took me back to the
old school basement sat me with my class and got me a
milk. I never was afraid of her after that!

I regret having to miss this event due to a prior engagement.

1. What have you been doing in the past 50 years? I am married with two daughters and two granddaughters. My third grandchild is due in February 2008. I have been in the secretarial field most of my "working" life. I moved from Catonsville to Carroll County in 1976. I started working for the school system in 1980 upon the opening of Liberty High School. I really enjoyed working for the school system. It brought back many memories of my school days. In June 2005, I decided it was time to retire. My mom is now 89 and is widowed and needed someone to help tend to her needs. My husband and I are very active/busy people. We both like to golf as often as possible. I am an avid fan of aerobic dancing. I have been dancing since 1978. We also have a lot of friends and enjoy spending our spare time with family and friends.

2. Favorite class event, story, remembrance? I remember the daily mass routine-even if your bus arrived late we still went to mass-better late than never. I enjoyed the friendships I had there. I remember walking home from school with friends during nice weather. I remember and appreciate the guidance of the nuns and priests. I do remember some frightening experiences in Sr. Thomas Charles' class and the "ruler" she carried with her to remind us that she would be in control of the class! I know now that I certainly received a wonderful education there. I recently saw a theatre production "Do Black Paten Shoes Really Shine Up"? I highly recommend it for anyone who attended Catholic Schools. You will have many memories and lots of laughs!

I hope the reunion goes well. Time certainly has flown hasn't it?

1. What have you been doing the past 50 years? I retired from AT+T in 1998. I love to travel. I have taken Rick Steves tours to Italy, France and Greece. I am going back to Italy just before our reunion. For 18 months I sold wine for two friends who had a distribution business. Great perks! I took the Master Gardening training offered by the U of MD Extension Service. Made some wonderful friends there who share my enthusiasm for gardening. I never married but I am blessed with nine wonderful nieces and nephews!

2. Favorite class event, story, remembrance? I really do not remember much from the early grades, although I have fond though fuzzy memories of Sister Gerlinde and Sister Abrotzke. Probably my fondest memories are of Mother Lucinda. She always seemed such a gentle soul to me. I also remember helping in the sacristy with Sister Antoinette and Sister Florene. I thought Rose Marie Sampieri had the clearest and pinkest fingers I had ever seen. I was also fascinated by Nancy Metzger's dark shiny pig tails. She reminded me of an Italian Princess.
